Subject – Report of interactive session on USMLE and Medical Career in USA reg

Sir

The IQAC & Dean Student Affairs jointly had organised Interactive session on USMLE & Medical Career in USA for UG and PG students on 09/09/2019 between 3.15 PM to 04.30PM in Lecture Hall No-1.

A total of two hundred students attended the program. Dean student affairs welcomed the gathering and gave introduction to the unique program.

Dr. Manjunatha Aithala, Head of IQAC welcomed the guest Prof Robert Carroll by garlanding him.

Prof Robert Carroll, Dean Brody medical school, East Carolina, USA gave an overview of USMLE and then started interaction with students.

UG and PG students of all batches actively participated and cleared their doubts.

Few of the many questions that were asked were as follows.

- 1) Which book should they refer for preparation for USMLE?
- 2) 'what are the maximum attempts a student can have in USMLE
- 3) does having failures during MBBS affects score?

- 4) if students perceives fellowship programs or additional degree, will it have advantage in scoring?
- 5) If student does research publications during MBBS will it add marks?
- 6) why the duration of exams is between 2 to 7 years?
- 7) What are the advantages of being international student?
- 8) Is there gender discrimination in selection in USMLE?
- 9) what is the percentage of selection of students of USA to rest of world?
- 10) What if student fails all attempts of USMLE?
- 11) From when a medical student should start preparing for USMLE?
- 12) Is USMLE is must for applying for job in USA or is only for higher studies?

For all the questions Prof Robert gave a convincing and elaborate answers.

Our sincere thanks to Dr Kushal Das, Professor of Physiology who arranged this program and also actively involved in discussion.

Head of IQAC Dr Manjunatha and one student presented memento to prof Carroll.

Head of IQAC conveyed vote of thanks.

High tea was served.

Thank you

Dr Anand P.Ambali
